LIFE Program

Immersion Request Procedure & Email Template

How to Request an Immersion

1

Step 1: Review the Contact List

Identify the department and location you would like to complete your immersion with. Note the point of contact's email address from the contact list in this document.

2

Step 2: Check Your Availability

Before reaching out, confirm your available dates and times with your direct manager. Remember, immersions are on the clock and require manager approval.

3

Step 3: Send the Request Email

Using the email template below, send a professional request to the immersion point of contact. CC your direct manager and your L&D Program Manager on the email.

4

Step 4: Confirm and Prepare

Once the immersion is confirmed, add it to your calendar. Bring your OJT checklist (provided by your L&D Program Manager) with you on the day of the immersion.

5

Step 5: Complete and Submit

During the immersion, work through the checklist items with your trainer. After completing the immersion, submit your completed checklist digitally through Westgate Learn.
